(* = QSO Error)

Eccoci giunti all'ottava edizione di questo contest Pileup. La partecipazione con 165 Log ha avuto un decremento rispetto al record del 2021 anche se le stazioni On-Air sono state leggermente di più. Dai log ricevuti si contano quasi 5000 QSO (media 1,4 QSO al secondo). Tutte le Call Area sono state attivate. La presenza on air è stata di 410 stazioni di cui 364 italiane. Dai commenti ricevuti la formula del tutto in un ora si conferma gradita dai partecipanti. Ringraziamo quindi tutti gli OM che hanno partecipato e che con la loro presenza hanno reso possibile il buon risultato di questa iniziativa.

Vi aspettiamo numerosi il 20 febbraio per la 35ª edizione del Contest Lombardia!

73 de IK2CFR Marco e da ARI Lissone
